

Selva Ganesh K

AI RESEARCH ANALYST & TECHNICAL WRITER

Tamil Nadu, India +91 9342179339 selvaganesh tarun1423@gmail.com github.com/shgfx10

mysticquill.blogspot.com

PROFESSIONAL SUMMARY

AI Research Analyst and Technical Writer who turns complex AI and scientific concepts into accessible, evidence-based writing. B.Tech in AI/ML. Proven ability to engineer production-ready CV and NLP systems. IBM ICE Day 1st Place winner. 17+ published research articles in English and Japanese. Built 20+ web projects including templates, games, and interactive blueprints.

EXPERIENCE

Research Writer & AI Analyst 2025 - Present
Mystic Quill

- ▶ Grew Mystic Quill to 17+ published articles across AI, geopolitics, physics, defence, and science - attracting organic readership across English and Japanese audiences without paid promotion
- ▶ How Drones Changed Modern Warfare - strategic evolution from 1849 Austrian incendiary balloons to the 2020 Nagorno-Karabakh conflict, establishing the publication's defence research voice
- ▶ I Tried to Design a Real Combat Mech - feasibility analysis combining materials science, fusion physics, and AI architecture; generated 12+ organic views and embedded live classified research document
- ▶ I Had a Dream About the Multiverse - full physics thesis with equations, Loop Quantum Gravity proof methodology, and peer-reviewed bibliography; demonstrated ability to translate graduate-level physics for general audiences
- ▶ The Orthographic Atrophy Hypothesis - original peer-reviewed-style scientific paper on autocorrect and cognitive decline, including novel hypothesis, neuroimaging citations, and intervention proposals
- ▶ Published Japanese-language AI learning roadmap for Japanese readers - demonstrating trilingual technical communication capability

Business Associate - AI Solutions 2025 - 2026
Etiqu Business Services

- ▶ Secured buy-in from C-level stakeholders in 8+ pitch meetings by developing presentations that translated AI capabilities into clear ROI narratives

WRITING & RESEARCH

- Long-form Research
- Technical Writing
- Science Communication
- Geopolitical Analysis
- Policy Research
- Academic Writing

AI / ML TECHNICAL

- Python
- TensorFlow
- OpenCV
- scikit-learn
- CNNs
- NLP
- Computer Vision
- Streamlit

WEB DEVELOPMENT

- HTML5
- CSS3
- JavaScript
- Canvas
- SVG
- GitHub Pages

LANGUAGES

- English Fluent
- Japanese Fluent
- Tamil Native

EDUCATION

B.Tech - AI & ML
Kalasalingam Academy
2021 - 2025 | First Class

- ▶ Identified 3 high-probability AI use cases for enterprise client with cost-benefit analysis projecting 18-month payback period
- ▶ Accelerated pipeline development across 15+ client engagements by bridging technical AI knowledge with accessible business language
- ▶ Analysed 10+ AI vendors and produced structured evaluation frameworks that reduced client decision timelines

Freelance AI Research Analyst2025 - Present

Fiverr / Outlier AI

- ▶ Delivered AI data quality evaluation for Outlier AI's Aether project
- ▶ Produced research writing packages from 500 to 2,000 words

PROJECTS

Website Templates Collection2026

6 premium templates (HTML/CSS/JS) including anime, cyberpunk, kawaii themes. DevFolio features dark/light mode, GitHub stats, listed on Gumroad.

Architecture Blueprints2026

4 interactive SVG schematics: Hogwarts, Gundam RX-78, Citadel of Ricks, Albatross biology.

NutraSync - Pharmaceutical AI2026

Next.js 14 + TypeScript full-stack app querying PubChem databases with 3D molecular visualization. Docker + GitHub Actions CI/CD.

Smart Traffic Violation Detection2025

89% accuracy, 35% false positive reduction, 15 FPS real-time monitoring. Selected as pilot project for 3 city intersections.

AI Product Recommendation System2025

93% query accuracy, under 0.8s response time. Deployed production-ready Streamlit interface.

Stickman Fight - Browser Game2026

2D fighting game with AI opponent, directional movement, 4 combat moves. Pure HTML5 Canvas.

ACHIEVEMENTS

1st Place - IBM ICE Day 2022

2nd Place - TEXPO 2K24

17+ Published Articles

Globally Indexed Profile - Google & Bing

Gumroad Seller - DevFolio Template
